This event is supported by North American SCRABBLE® Players Association Local Clubs 601 (Charleston) and 590 (Champaign). SCRABBLE® For Literacy is a charitable event to benefit [The Reader's Route](#) program at [Danville Area Community College](#). Thanks to the SCRABBLE for Literacy fundraiser, DACC's Adult Education Department has been able to subscribe to the ModuMath Program and students have logged in over 1156 hours over the past two years. Many students were able to complete their GED thanks to this program. Over 1920 student hours have been logged in on the Reading Horizons Software Program; also available because of funds from the SCRABBLE tournaments. The Reader's Route Scholarship is supported by this fundraiser as well.
